Review by a parent:

Hi, April,

I just wanted to let you know that we ended up staying at the Mamaroneck Motel. We were pleasantly surprised. It's a small motel where all the rooms face an inner courtyard. It's like out of the 1960's. Our room was clean and well maintained and it was quiet. (Also the water pressure in the shower was amazing) The rates are very good. For this time of year, two nights were less than \$155. I think their highest rate is about \$90/night. Also we enjoyed the town of Mamaroneck and felt safe walking all around. We plan to stay here again on our next visit.

Renaissance by Mariott in White Plains off 287 between 95 & 87 this has a countryish feel as it is not in a city setting, but it is not as convenient to anything.

Crowne Plaza is in downtown White Plains near a big upscale mall and there are nice restaurants near by- Cheesecake factory & Outback, Morton's. It is off 287 but is not very close to the school- I would figure a good 1/2 hour away
